PETITION UNDER 37 CFR §1.182

PETITIONS OFFICE

Director of Patents and Trademarks
Washington D.C. 20231

Sir:

This is a petition for reconsideration of the response to the Notice to File Missing Parts filed April 5, 2001 in the above-identified application. Following submission of the response on April 5, 2001, applicant received a Notice of Incomplete Reply dated 06/01/2001 in the above-referenced application, Applicant submits that the reply is complete and respectfully petitions the following:

1. Applicant believes that the drawing requirement objected to in the Notice of incomplete reply is in error.

Applicant submitted a timely response to the Notice to File Missing Parts dated February 15, 2001, including substitute drawings, which the applicant believes to

be in compliance with 37 CFR § 1.84. . The substitute drawings in the application are a computer program which have the requisite margin. Even assuming that the margins are incorrect, formal drawing submission which meets all technicalities, is not required for purposes of responding to a Notice to File Missing Parts. Therefore, applicant respectfully requests that this objection to the drawings be held in abeyance in accordance with 37 CFR § 1.111(b) which in pertinent part states:

“...a request may be made that objections or requirements as to form not necessary to further consideration of the claims be held in abeyance until allowable subject matter is indicated.”

Applicant submits that meeting the margin requirements for drawings is not necessary for further consideration of the claims.

At this time, applicant requests that such requirement be held in abeyance and that the reply to the Notice to File Missing Parts filed April 5, 2001 be accepted as fully responsive.

Applicant respectfully requests the withdrawal of the Notice of Incomplete Reply, and to allow the application to be examined without any fees for extension of time. In addition, applicant requests that this petition is accepted without requiring a fee under 37 CFR § 1.17(h)

Should there be any questions concerning this petition, I may be reached by telephone at 305-332-4089.

Thank you for your attention to this matter.

Yours truly,
